Mr. Greg Myles
President
Canadian Air Traffic Control Association
CAW Local 5454
304 – 265 Carling Avenue
Ottawa, Ontario K1S 2E1 Canada

Dear Greg:

On behalf of the more than 53,000 professional pilots who are members of the Air Line Pilots Association, Int'l, allow us to express our sincere gratitude to you, your members, and your fellow controllers around the world on this International Day of the Air Traffic Controller. Pilots working together with controllers ensure the safe, successful operation of thousands of airline flights across the country and around the world every day. We appreciate and applaud the excellent service your members provide every time we fly.

We also want to take this opportunity to congratulate the CATCA-CAW Local 5454 members on the improvements in the collective bargaining agreement they negotiated earlier this year.

Please extend our thanks and convey our pilots' respect for the enormous responsibility of your members and the tremendous service they routinely provide. The Air Line Pilots Association, Int'l, honors them on this, their day. Controllers help ensure that air travel remains the safest and most efficient means of transportation.

Fraternally,

John Prater, President
Air Line Pilots Association, Int'l

Dan Adamus, President
ALPA Canada Board
